

PHILIP MORRIS INTERNATIONAL  
INTER-OFFICE CORRESPONDENCE

100 Park Avenue, N.Y., N.Y. 10017

To: Mr. R. Thomson

Date: February 27, 1981

From: P. J. Clarke

Subject: Patent Committee Minutes February 11, 1981

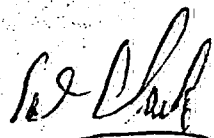

The minutes of the above meeting contain two errors in the Airco status report.

1. Airco have supplied 5 plants to Rothmans, not 2 as stated. Two were delivered in November 1980, the balance were due for shipment in January/February 1981.
2. PM plants under construction do not, to my knowledge, include the Philippines. Airco has been talking with La Suerte, but no decision has been made either way at this time.

For completeness you might note that Airco to-date have talked to the following companies, but as far as we are aware have not sold any more plants:

Amertupakka - Finland  
Monital - Italy  
Spanish Monopoly  
Portuguese Monopoly  
Seita - France  
LTR - France  
La Suerte - Philippines  
(?) Reemtsma - Germany.
